

User Story	Teacher-grades	Time	5 Hour
Information	As a Teacher		
	I want to view and add my students grades,		
	so I can record and evaluate their performance.		
Worktask	Must • The teacher must see all his students. • The teacher can add, edit and delete grades. • Only the assigned teacher can modify the grades. Should • A confirmation message appears after saving. • The interface displays the correct grades. • Teachers can add comments for every student. Could • Grades can be exported as PDF or CSV.
